

# "Jane You Ignorant Slut" - SNL Skit with Jane Curtain and Dan Aykroyd

---

YouTube clip from Saturday Night Live

Length: 2:16

## **Dan Aykroyd**

I'm station manager Dan Aykroyd. During the past few weeks in Los Angeles, actor Lee Marvin and his former live in companion Michelle Triola Marvin have been in court to settle her claim that he owes her half his income from the six years they lived together. That is the subject of tonight's point Counterpoint. Jane will take the pro Michelle Marvin point while I take the anti Michelle Triola counterpoint Jane.

## **Jane Curtain (00:00:22-00:00:59)**

Dan, times change and so does the nature of relationship. People are reluctant to get married these days and looking at divorce statistics, who can blame them? But the lack of a piece of paper does not necessarily mean the lack of a total commitment. A woman in this modern day relationship may well give up all her own personal pursuits, as Michelle Marvin claims she did, to give her full support to her man's career. And Michelle Marvin is just asking that the courts recognize that reality. Dan, there's an old saying. Behind every successful man there's a woman. A loving, giving, caring woman. But you wouldn't know about that, Dan, because there's no old saying about what's behind a miserable failure.

## **Dan Aykroyd (00:01:07-00:01:08)**

Jane, you ignorant slut, bagged out, dried up slunk meat like you and Michelle Triola know the rules. If you want a contract, sign on the dotted line. Oh, but let's all shed a tear for poor Michel Triola. There was only testimony that she had sexual intercourse over 40 times with another man while living with actor Lee Marvin. But I suppose that sort of fashionable promiscuity means nothing to someone like you, Jane, who hops from bed to bed with the frequency of a cheap ham radio. But hell hath no fury like a woman scorned. And Michele Triolo, like a screeching, squealing, rapacious swamp sow, is after actor Lee Marvin's last \$3 million.

I guess what you and Michel are saying is that when you're on your backs, the meter is running. Well, please spare us gals and tell us the rates at the top. Then we can choose which bit tarts and bargain basement sluts to shack up with. That's the news.

## **Jane Curtain**

Good night and have a pleasant tomorrow.
